

DEVON 4707-Li-20 20V Lithium-Ion Blower

Product details

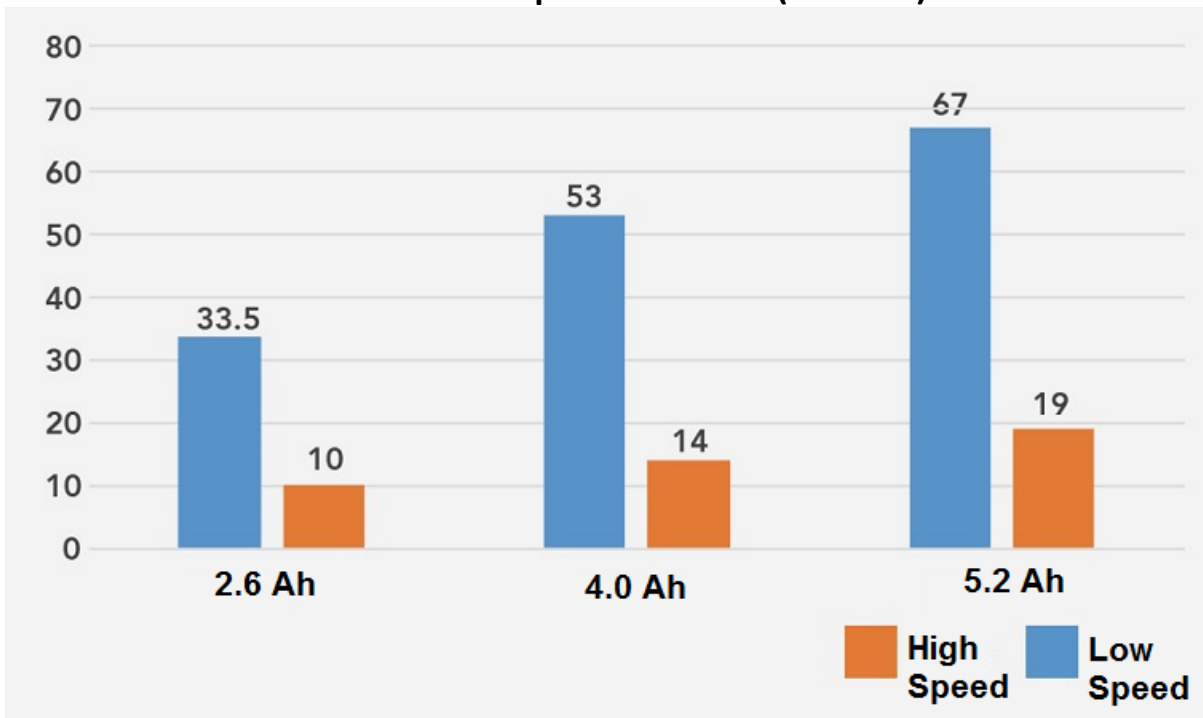

- Large aperture air outlet
- Duct design + honeycomb grid design
- Removable duct
- Small body, big power

Product parameters

Rated Speed (rpm): 10000 - 18000
 Max. Air Flow rate (km/h): 150
 Max. air flow (cubic meters/hours): 670
 Weight (kg): 2.0(without battery)

Battery Life Time	4.0Ah Battery			5.2Ah Battery		
	Low Speed	Medium Speed	High Speed	Low Speed	Medium Speed	High Speed
Minutes	63.1	30.5	19.4	77	39	24

4707-Li-20 20V Brushless Blower Operation Hours (Minutes)

<p>1pcs Charger</p>  <p>4.0Ah x 2pcs</p>  	<p>DEVON 4707-Li-20 20V Lithium-Ion Blower with 4.0Ah x 2pcs & 1pc Charger</p>
<p>1pcs Fast Charger</p>  <p>5.0Ah x 2pcs</p>  	<p>DEVON 4707-Li-20 20V Lithium-Ion Blower with 5.0Ah x 2pcs & 1pc Fast Charger</p>

Double speed is adjustable

Constant cruise mode

Pull the lock lever to achieve constant speed operation

Stepless variable speed mode

Adjust the pressure of the trigger to achieve air volume regulation

Lightweight Design

Lighter weight, more comfortable to hold

2.0KG
(Battery pack not included)

Removable air duct

Convenient transportation and storage

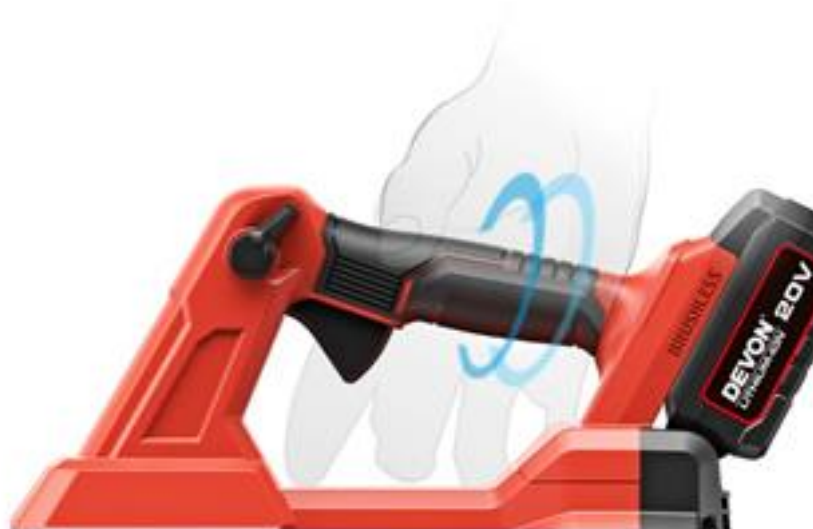

Fast heat dissipation design

Large grid design, effective heat dissipation, prevent burning machine

Non-slip handle

Comfortable to hold, easy to work

Wind locking lever **Big board switch**

Realize constant speed
and continuous work

The air volume can
be adjusted at will

Removable duct
Receive a convenient

Brushless motor
Provides strong winds
