

## **BFS150 /BFS200 Lithium Battery Vibration Scraper**

| Model            | BFS150                                                                                                                                                                                                                                          | BFS200               |
|------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------|
| Motor Power      | 24W (Plastics Cover)                                                                                                                                                                                                                            | 24W (Plastics Cover) |
| Battery capacity | 24V 9Ah                                                                                                                                                                                                                                         | 24V 9Ah              |
| Handle length    | 1.5 M                                                                                                                                                                                                                                           | 1.5 M                |
| Scraper length   | 150 cm                                                                                                                                                                                                                                          | 200 cm               |
| Scraper width    | 80 mm                                                                                                                                                                                                                                           | 80 mm                |
| Scraper height   | 20 mm                                                                                                                                                                                                                                           | 20 mm                |
| Weight           | Approx. 6 kg                                                                                                                                                                                                                                    | Approx. 7 kg         |
| <b>Price</b>     | <b>\$ 198.00</b>                                                                                                                                                                                                                                | <b>\$ 228.00</b>     |
| Warranty         | <ul style="list-style-type: none"><li>• 1 month from date of delivery against manufacturing fault.</li><li>• Warranty does not cover any damage caused as a result of improper use, abuse, modification or alteration of the product.</li></ul> |                      |

**Vibration leveling ruler**  
Save time and labor

---

**Work efficiency**  
One touch is smooth

---

**Battery life**  
8-10 hours

---

**Advantage**  
efficient

---

**Manual scraper**  
Time-consuming, labor-intensive and labor-intensive

---

**Work efficiency**  
Repeated back and forth slowly

---

**Effect**  
Bumpy

---

**Endurance**  
Look at the endurance

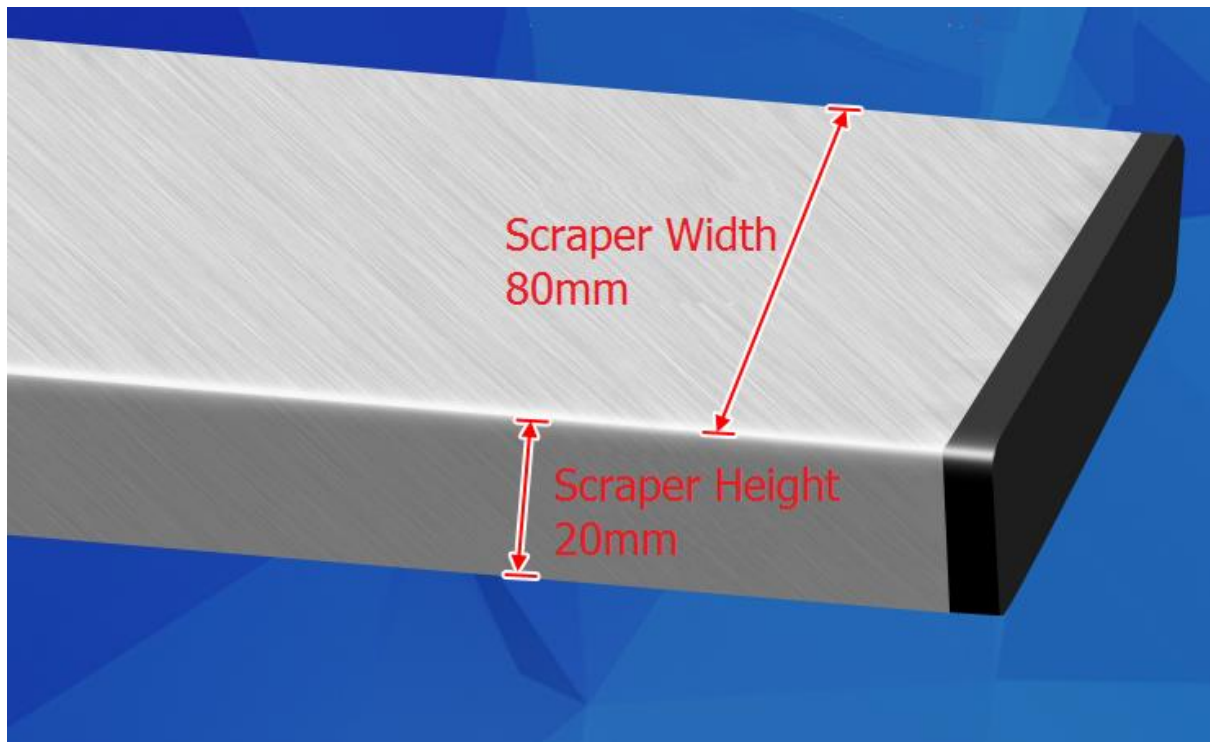

---

**Motor Power: 24W**

**Excitation strength: 120N.M**

**Durability: ★★ ★★ ★★**

# Single handed operation

Can be operated with single hand, convenient and labor-saving, easy to work
