

CORING MACHINE

CDM06-80

Description

Features and Benefits:

- * Strong Power
- * High Working Efficiency
- * Convenient to use
- * Adjustable Cutting Depth

Brick Drilling Range (mm) :	6" (150)
-----------------------------	----------

Concrete Drilling Range(mm):	4" (100)
------------------------------	----------

Voltage(v):	220 /110
-------------	----------

Rated Frequency(hz):	50-60
----------------------	-------

Rated Input Power (w):	1800
------------------------	------

No-load Speed1(rpm):	0-800
----------------------	-------

No-load Speed2(rpm):	800-3600
----------------------	----------

Net/Gross Weight(kgs):	9/12
------------------------	------

Packing Size:	53*17*43
---------------	----------
