

VHF - CONCRETE VIBRATOR WITH IN BUILT CONVERTER

Vib-Tech

**Builds Efficient Machinery For
"YOUR INDUSTRY"**

■ Features & Benefits

- ▶ High-frequency concrete vibrator featuring an integrated motor-in-barrel design
- ▶ Provide first-class operator safety and comfort
- ▶ Minimal noise and without engine exhaust fumes
- ▶ More efficient consolidation of concrete when operating under load

Model Number	Head Diameter	Head Length	Protection Hose	Power Cable	Input Voltage	Vibration Speed	Main Benefits
	MM	MM	M	M	V	RPM	
E-VHF 40	40mm	400-500mm	8M ϕ 36mm	15M	220V	12,000 rpm	Flexible Plug Connected Parts; Free-Tool Open & Easy Maintenance
E-VHF 50	50mm	400-500mm	8M ϕ 36mm	15M	220V	12,000 rpm	Flexible Plug Connected Parts; Free-Tool Open & Easy Maintenance
