

DAIKI QX2000 STAIN BRIGHT

- Small and light weight, portable and durable, reliable and economical very stable arc, and good welding quality.
- Achieves fast and effective results
- Can be used for weld-cleaning and polishing
- Perfect weld cleaning solution
- Safe and easy operate

Parameter	Unit	TIG-250P AC/DC
Rated Primary Voltage	V	240±15%
Power Source Frequency	Hz	50/60
Rated Power	Kw	3
Output voltage	DCV	30
Weight	Kg	4.8
Overall Dimensions	mm	280 x 150 x 270
