

MINI DUMPER

CND-MDT-501T

CND-MDT-502T

CND-MDT-503T

PRODUCT INFORMATION

Certification:

Engine Model	B&S
Rated Power	6.5HP
Cylinder	Single
Intake Method	Natural Aspiration
Emission standard	EURO 5 /EPA
Fuel capacity	3.5L
Oil capacity	0.6L
L x W x H	1517x870x1278mm
Cargo box volume	0.22m ³

Hydraulic oil No.	46# Anti-wear hydraulic oil
Hydraulic oil tank capacity	7L
Gradability	20°
Minimum ground clearance	85mm
Minimum turning radius	950mm
Crawler center distance	520mm
Travel speed	1.7/3.5 (km/h)
Travel motor maximum torque	805Nm
Travel motor maximum working pressure	20MPa
Travel motor displacement	200cc
Travel motor brand	Like Hydraulic
Vehicle weight	400Kg
Maximum load	500Kg

01 Powerful gasoline engine

Adopt 6.5 horsepower gasoline engine, easy to start, stable power, reliable quality, low failure rate

02 Special wear-resistant rubber track

Specialized track chassis, good wear resistance and anti-skid performance, no crushing of the ground, can climb 20° slope
